Sir:

Applicant, by the undersigned attorney hereby responds to the Notice to File Corrected Application Papers mailed on 13 August 2004. The undersigned attorney does not understand why a Substitute Specification or Replacement Drawings are needed since the specification was filed in compliance with 37 C.F.R. 1.52, 1.21(b)(3) and 1.125. Additionally, the Drawings as filed look fine and are believed to be in compliance with 37 C.F.R. 1.84 and 37 C.F.R. 1.21.

The undersigned attorney has not been given any further reasons other than the general fact that the drawings were not electronically reproducible and the papers must be legibly written. All papers filed are believed to have met the requirements of the USPTO. Copies have now been made of all matters which were filed and if there is some specific reason why the USPTO did not accept the
